Consumer Advisory:

There is a risk associated with eating raw oysters, if you have chronic illness of the liver, stomach, or blood, or have immune disorders you are at greater risk of serious illness from raw oysters, and should eat oysters fully cooked... If unsure of your risk, Please consult a Physician!

Consuming raw or undercooked meats, eggs, poultry, seafood or shellfish increases your risk of contracting a foodborne illness, especially if you have certain medical conditions!

*Grouper is seasonal and not always readily available, we will sometimes have to substitute a good quality alternative!
